## RESPONSE TO DEFENDANT HALEY'S MOTION TO COMPEL DISCOVERY

The United States respectfully submits that it has complied with the Motion filed at RE 157. The Motion should therefore be denied as moot.

A federal grand jury returned an indictment in the case on September 12, 2023. (RE 1). The government made its first discovery production on September 21, 2023. (RE 47). The government provided a second round of discovery on November 2, 2023. (RE 94). Included in discovery was a report from a TBI analyst entitled “Official Forensic Biology Report.” Since production of that report, Defendant Haley has made requests for additional reports and underlying data from TBI. The United States has made multiple requests to TBI for the additional information and has to date provided three additional rounds of disclosure. With the latest production, the United States has complied with Defendant Haley’s requests for additional information.

The parties having agreed that the Motion has been satisfied, the United States moves to dismiss the Motion as moot.

Respectfully submitted,

KEVIN G. RITZ  
United States Attorney
